

## Pininfarina and Ares Line present Xten

The office chair designed by Pininfarina Extra.

Ares Line and Pininfarina Extra celebrate the launch on the market of Xten, an office chair already defined as "an example of excellent industrial design" that will contribute to export the "made in Italy" worldwide.

Xten enters the market as an innovative instrument of work, both in technological and design terms. The chair in fact, satisfies all the characteristics of safety and ergonomics and supplies a very high comfort as well.
