

Pininfarina in Russia with Uffix

The “Luna” collection presented in Saint Petersburg and Moscow.

Paolo Pininfarina will be in Saint Petersburg today and in Moscow tomorrow for the presentation to the Russian press and local dealers of the collection of office furnishings “Luna” (Moon) by Uffix, designed by Pininfarina.

“Luna” is an executive desking collection, which has been developed with and accessories, meeting tables, and high-tech cabinets utilizing coplanar and sliding doors. It was awarded as “ideal office” by the popular jury of the EIMU, the International Office Furniture Exhibition held in April hosted by the Salone Internazionale del Mobile in Milan.
