

Press Release Pincar srl

Turin, July 13, 2011 - At the request of Consob and in relation to the news released today by Il Sole 24 Ore, PINCAR s.r.l. informs that it is not aware of any new information that may justify the current trend of share price. The Bolloré group, as it is known, has expressed – directly to Pincar and to its advisor Leonardo & Co. – a preliminary and not binding interest, but up today no formal and binding proposal – whoever made them – has been done so that any ongoing discussion has reached a stage that can be communicated to the market.
