

Geneva Motor Show, Pininfarina and Hybrid Kinetic Group present the H600, eco-sustainable luxury sedan

Turin, February 8th 2017 – One more world debut on the **Pininfarina** stand at the upcoming **Geneva Motor Show**. It's called **H600** and it's a luxury sedan concept with new energy propulsion which is both elegant and comfortable, a perfect combination of pure design and eco-friendly technology.

The concept car has been designed and manufactured by Pininfarina for **Hybrid Kinetic Group**.

To discover the **H600** the appointment is on **March 7, 2017** at **h. 11.45** at the **Geneva Motor Show, Pininfarina stand**.

Further details of the H600 will be revealed in the next days on:
